RG104 E-1 Box 134 Apr-July 1885

Phil.a June 28th 1883

To The Hon. A. Louden Snowden
Superintendent of The Mint.

Dear Sir

In our opinion the cart way on the west side of this building would be greatly improved if it had an asphalt pavement for heavy hauling. The condition it is now in we think demands the above sejestion

All of which is submitted for your favorable consideration

Respectfully Yours
